

# Does racism cause environmental hazards?

Marc Los Huertos

July 30, 2016

## **1 Introduction**

## **2 Driving Question**

Does racism cause environmental hazard?

## **3 Public Product**

Each student will create a map the evaluates how environmental hazards are spatially distributed and evaluate factors that cause this exposure risks.

## **4 Learning Outcomes**

Students will be able to:

- Collect and analyze metal concentrations from soil.
- Map environmental hazards
- Analyze spatial data using demographics and hazards

## **5 Stages of Project**

## **6 Refine Driving Question**

## **7 Identify Resources Needed**

## **8 Collect and Analyze Date**

## **9 Create Public Product**
